AZAN SAKHAWAT

Computer Science Student | Aspiring Cyber Security Professional

📧 azansakhawat@gmail.com 📍 Mansehra, Pakistan 🎓 Reg: 10-001-2025-01827

PROFESSIONAL SUMMARY

Motivated and dedicated Computer Science student at UET Peshawar, Abbottabad Campus with a strong passion for Cyber Security and web development. Possessing solid foundation in programming languages including C++, Python and web technologies (HTML, CSS, JavaScript). Eager to apply theoretical knowledge to real-world scenarios and continuously learn emerging technologies. Seeking opportunities to contribute to innovative projects while developing expertise in cybersecurity and software development.

EDUCATION

Bachelor of Science in Computer Science   **2025 - Present**

University of Engineering & Technology, Peshawar (Abbottabad Campus)

Currently enrolled in 1st Semester | CGPA: In Progress

Intermediate (Computer Science)   **2025**

Khyber Public School & College, Mansehra

Grade: A

Matriculation (SSC)   **2023**

Khyber Public School & College, Mansehra

Grade: A

TECHNICAL SKILLS

Programming Languages

- C/C++ (Intermediate)
- HTML5 (Proficient)
- CSS3 (Proficient)
- JavaScript (Intermediate)
- Python (Basic)

Development Tools

- Visual Studio Code
- Dev C++
- Git & GitHub
- Chrome DevTools
- Microsoft Office Suite

Web Development

- Responsive Design
- DOM Manipulation
- CSS Flexbox & Grid
- Form Validation
- Version Control (Git)

Soft Skills

- Problem Solving
- Quick Learner
- Team Collaboration
- Time Management
- Analytical Thinking

PROJECTS

Dynamic Personal Portfolio Website

Technologies: HTML5, CSS3, JavaScript, GitHub Pages

Developed a fully responsive personal portfolio website featuring dynamic content management, theme switcher (light/dark mode), interactive academic background table with sorting and filtering capabilities, CV viewer with PDF integration, and contact form with real-time validation. Implemented modern web development practices including modular code structure with separate HTML, CSS, and JavaScript files. Successfully deployed on GitHub Pages for public access.

EXPERIENCE

Freelance Web Developer   **Present**

Self-Employed
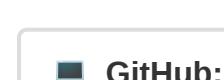

- Building responsive websites for local businesses and individuals
- Creating custom web solutions using HTML, CSS, and JavaScript
- Collaborating with clients to understand requirements and deliver quality products

CERTIFICATIONS & ONLINE COURSES

Web Development Fundamentals   **2025**

Self-paced learning through online resources and documentation

ONLINE PROFILES

💻 GitHub: 💼 LinkedIn: 🌐 Portfolio: 📧 Email:

LANGUAGES

Urdu: Native

English: Fluent (Written & Spoken)

INTERESTS

Cyber Security & Ethical Hacking

Web Development & Design

Technology Trends & Innovation

ACHIEVEMENTS & ACTIVITIES

- Successfully completed Open Ended Lab project creating a dynamic portfolio website
- Active participant in university coding workshops and seminars
- Consistent A grade achiever throughout academic career
